

Walk 10 Km For Ben

To mark the 10th anniversary of Ben's murder, join us and walk 10 km along the Regents Canal to Victoria Park to remember Ben and to raise money for the Ben Kinsella Trust.

Start Point: The Ben Kinsella Trust Meeting Point, Colebrooke Row, London N1 8AF. **Time:** 12:00

The Ben Kinsella Trust helps young people appreciate and understand the lasting damage that knife crime can have on them and those around them.

Over 11,000 young people have visited the exhibition since 2012 with the vast majority of those visiting pledging never to carry a knife when they leave. With knife crime on the increase we want to do far more to help young people make the right choices and stay safe.

So, help us to #STOPKNIFECRIME and Walk 10 For Ben.

Ben Kinsella was someone who was creative, kind and lots of fun - who liked helping other people and his community. He was a peer mentor at his school and was often described as a role model.

Brooke Kinsella MBE

"The good work of children and young people often goes unheralded, but at The Ben Kinsella Trust we would like to recognise the positive contributions that young people make to society."

Sponsorship form of:

Please sponsor me to do a walk 10km. All the money raised goes to The Ben Kinsella Trust to help them educate young people to stop knife crime #10forben
